## Tour Discription

Phuket City, on Phuket Island, is the capital of Thailand's Phuket Province. In the Old Town, Thalang Road is lined with colorful 19th-century shophouses and Sino-Portuguese buildings. Built in 1903 by a wealthy tin merchant, Baan Chinpracha mansion has Italian floor tiles, shuttered windows and antique furniture.

Krabi, on southern Thailand's west coast, is a province characterized by craggy, sheer limestone cliffs, dense mangrove forests, and more than a hundred offshore islands. Some of its most popular beach destinations include the Phi Phi Islands, which jut from the sea like giant rainforested boulders, and Railay Beach, accessible only by boat and a prominent rock-climbing spot..
