Tour Discription

Bali is one of more than 17,000 islands in the Indonesian archipelago. Bali has managed to retain its magic. Bali is a wonderful destination with something for everyone, and though heavily travelled, it is still easy to find some peace and quiet, if you like. Don’t forget to explore the North part of the island if you want a more traditional and genuine Balinese experience.

The word "paradise" is used a lot in Bali and not without reason. The combination of friendly, hospitable people, a magnificently visual culture infused with spirituality and spectacular beaches with great surfing and diving have made Bali Indonesia's unrivaled number one tourist attraction. Eighty percent of international visitors to Indonesia visit Bali and Bali alone.

If you wish to alter this itinerary plan, simply let us know your requirements. Our experts will be available to modify the package by incorporating your unique travel preferences.
